

Great Lakes
Bay
Regional
STEM
Ecosystem

The Ecosystem has grown in phases.

Study

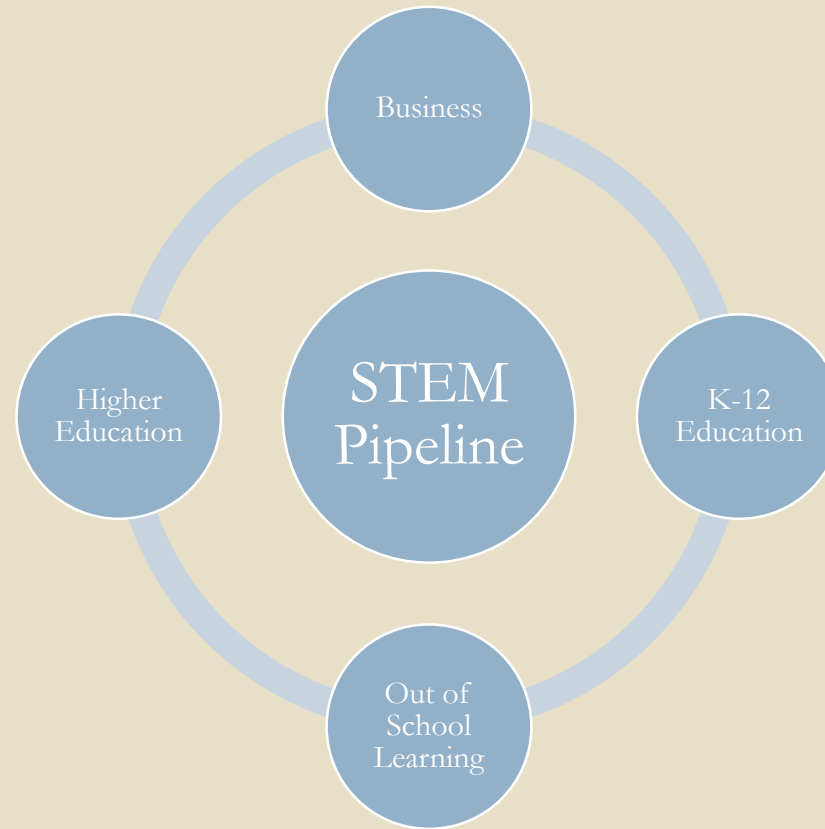

Mobilization

Launch

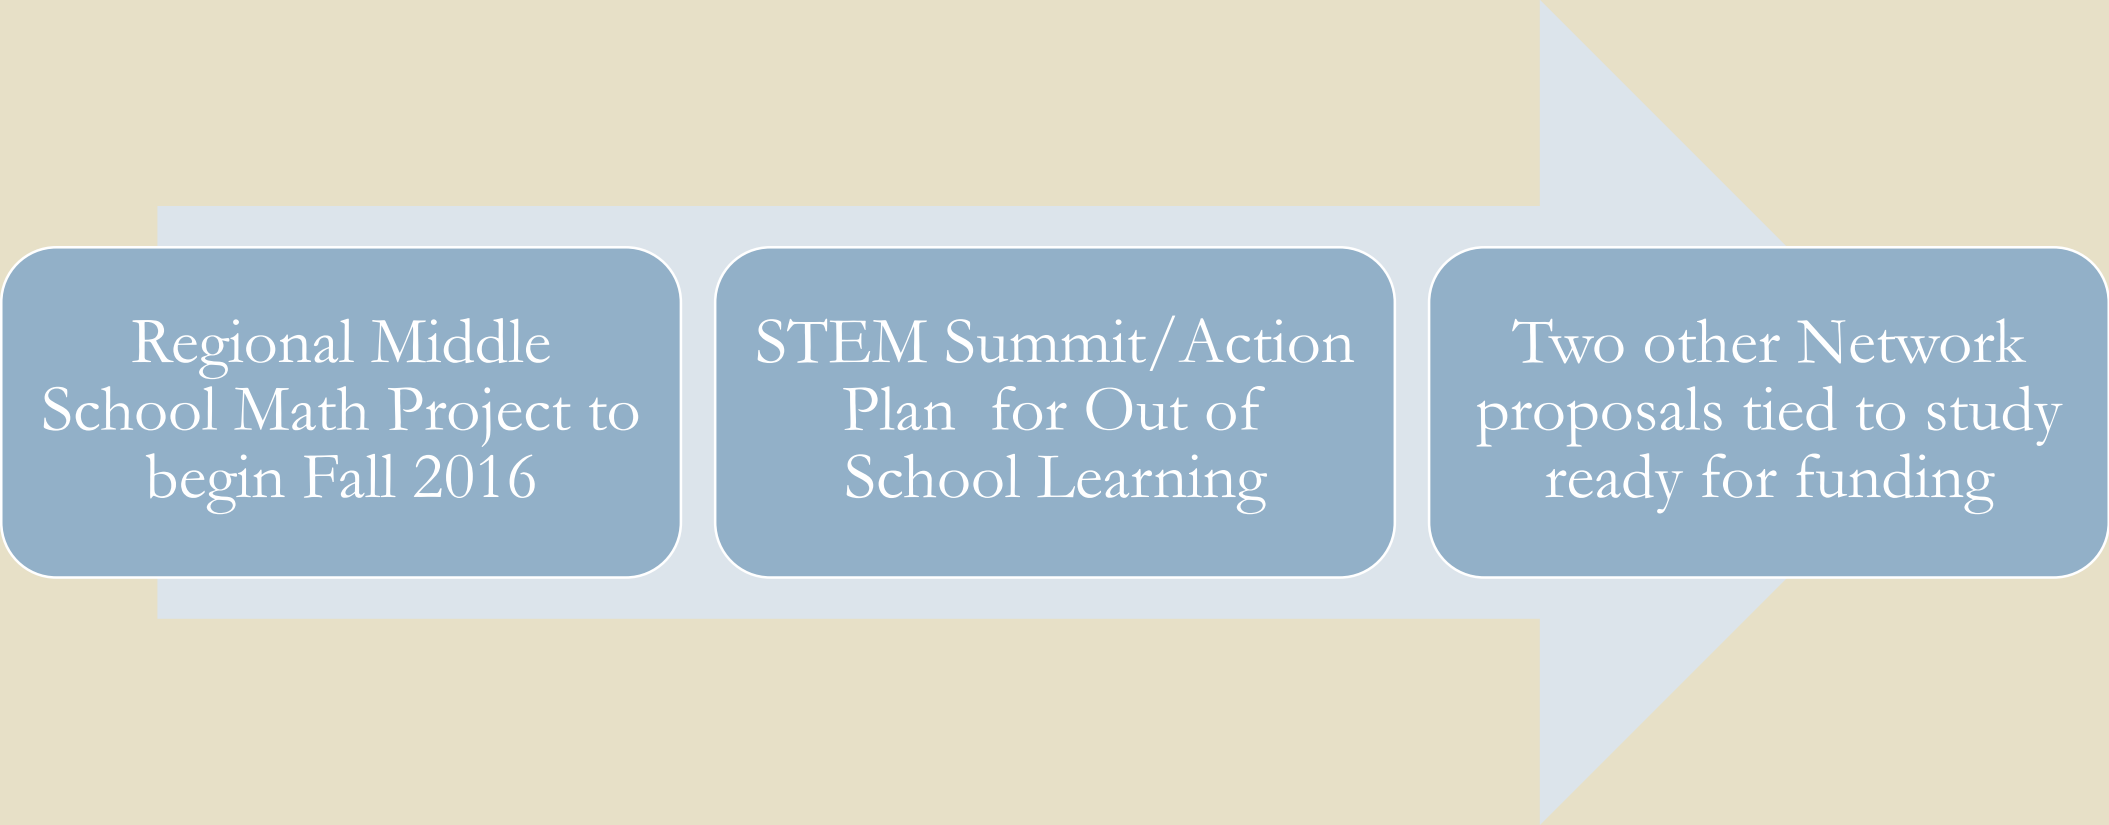

Engagement at
National and
State level

Implementation

The Ecosystem represents Collective Impact.

The Ecosystem has enjoyed many accomplishments.

Regional Middle
School Math Project to
begin Fall 2016

STEM Summit/Action
Plan for Out of
School Learning

Two other Network
proposals tied to study
ready for funding

Lessons Learned-the “Deep Dive”

Plunge

Submersion

Leap
